## Casual EMT-P / ACP Industrial Opportunity

Lanigan EMS has an industrial contract to provide medic services to the construction of a new potash mine. Lanigan is 1 hr, 10 min. east of Saskatoon on Hwy 16.

We are seeking candidates who are looking for a great opportunity to further enhance their EMS career with industrial EMS experience and to help supplement their current income. Opportunities such as Drug & Alcohol testing training and fall arrest training will be available.

Posting Date: January 11, 2012  
Position: Casual EMT-P or ACP, Possible Full-Time during 2012  
Start Date: Immediately  
Pay Rate: Competitive  
Closing Date: Open until sufficient number of candidates are found

### Position Summary:

**Shifts:** 24 hours, 12 hour day shifts (working with an EMT/PCP) at the mine site and 12 hours rest and on-call to cover the base camp in Lanigan.

**Location:** Mine site is 25 minutes N.E. of Lanigan. Transport to and from site by bus or security vehicle. Base camp on N.E. side of the town of Lanigan.

**Accommodations:** Provided with personal bedroom, cable T.V., wireless internet access, and shower facilities. Laundry and gym facilities available at base camp.

**Meals:** Exceptionally high quality meals and snacks provided at base camp.

**Medic Facilities (Mine Site):** Medic office with wireless internet, kitchenette with microwave, fridge, stove, and satellite Television. Fully stocked clinic room and ambulance equipped to ACP level. Lifepak 12 and fully stocked ACP level kits.

**Uniform Requirements:** Casual clothing. All Personal Protective Gear provided at site.

**Orientation:** Required prior to shifts, provided every Monday from 0800-1300. It is the candidate's responsibility and expense to drive to Lanigan to attend an orientation.

**Qualifications:**

- Current registration and practicing designation with SCoP.
- Current ITLS-Advanced, ACLS, PALS or PEPP, and CPR certificates.
- Must be able to work during the week (Mon-Fri), as well on weekends.
- Strong ability to work alone and as a team member.
- High level of delegation, decision making, and problem solving skills.
- Dependable transportation (mileage not covered).
- Strong communication and leadership skills.
- Physically fit.
