EMT-A/ICP Position

Temporary Full-Time

Marshall's Ambulance Care in St. Walburg has a temporary full-time (maternity leave) EMT-A/ICP position available, starting June 30, 2010. Applicants must (or be able to) hold a valid license with the Saskatchewan College of Paramedics and have a valid Class 4 driver's licence.

This fifteen month temporary position may become permanent after completion of the term.

Marshall's Ambulance is a busy rural (private) ambulance service in northwest Saskatchewan's parkland region providing emergency medical services to six towns, three First Nations communities and numerous resort communities over a geographical area of 12,000 square kilometres. We have a new ambulance base and we have a staff house for accommodation of new and relief staff.
