

**Regina Qu'Appelle Health Region
Emergency Medical Services**

RQHR EMS is currently accepting applications for EMT/PCP's and EMT-Paramedic/ACP's for its Regina operation.

RQHR EMS is a dynamic high volume service that provides a range of paramedical services to the residents of Regina and surrounding area as well as Neonatal, Pediatric, ALS intercept, and Specialty Critical Transport services to Southern Saskatchewan. We also provide personnel to the Addictions Treatment Centre.

Candidates must have completed a CMA accredited program and either be currently licensed or eligible for licensure with the Saskatchewan College of Paramedics (www.collegeofparamedics.sk.ca). Candidates will be invited to participate in our comprehensive recruitment process. Successful recruitment candidates will be provided extensive classroom orientation and field training under the supervision of a Field Trainer. RQHR EMS will continue to provide significant ongoing continuing education and further professional development opportunities throughout the career of its employee.

Interested parties should submit their resumes to:
