Description

Safe-Tee Management is a rapidly growing Occupational Health & Safety firm located in the South East Saskatchewan "oil patch". We currently have an immediate opening for an EMT/Safety Watch person for on-site medic/safety watch duties for a 16-24 month project. A combination of education & experience will be considered for the right individual. Must be professional, team orientated and have a focus on customer service. An excellent command of the English language, both oral and written, is essential. Must be able to work at a high level of proficiency, often unsupervised. Must be proficient at public relations and be flexible and client orientated. Must be able to travel. Flexible hours are available for the ideal candidate. This position is wide and varied and requires an individual who is highly motivated, well organized and is creative and assertive. The ability to manage all documentation related to health and safety is mandatory. Computer skills are mandatory in the Microsoft Office environment.

Safe-Tee Management offers a comfortable and flexible work environment and we are highly team orientated. This is an excellent position for someone who is creative and self directed.
