

12 Lead ECG STEMI Recognition Course

Tim Hillier (ACP), of MD ambulance will be teaching a ST-elevation myocardial infarction recognition course on June 23rd. This course is worth 5 CME credits for members of the College of Paramedics and is also worth CME hours for nurses. There will be two sessions run at Yorkton Regional Health Centre in the mental health auditorium. The cost of one session is \$28 (both sessions are the same, running for approximately 2 hours). The morning session is run at 0900 and afternoon starting at 1300. For information please contact Crestvue EMS at 306-783-3173. If you wish to attend please fax Crestvue with which session you wish to attend at 306-786-6811.
