

Council Members Elected

Brent Stewart, President of the Saskatchewan College of Paramedics (SCoP) is welcoming two new members to Council following the announcement of election results at the Annual General Meeting on April 8, 2011 in Moose Jaw.

Brent expressed appreciation for the contribution of outgoing Council member, Bob Fenner. He thanked all candidates for their interest in the governance of the College and their willingness to let their names stand for election. Karen Bullock, the successful member at large candidate was elected for a three year term having garnered the most votes from a field of 4 candidates. Lindsay Holm was acclaimed for a three year term as the Fire Member at Large. Brent noted, "We are excited to continue to see this level of interest in serving on the Council. We hope those members who were not successful in this election will find other ways to be more engaged in College affairs – such as serving on committees or assisting with projects."

Brent congratulated the new Council members, Karen and Lindsay, saying, "Becoming a Council member is a significant commitment to your profession and an opportunity to work to improve governance of our College. On behalf of the existing Council, we look forward to working with you. Welcome!"

Karen Bullock

Karen Bullock graduated in 1996 as an EMT and then in 2006 as an ICP. She is currently employed by Maidstone Ambulance, Prairie North Regional Health Authority and has been for the past 14 years. She provides service in largely rural communities and is a member of her employer's OH&S committee and the regional EMS committee. She has been an RM councilor, a 4-H general project leader and a Provincial Emergency Services Practice Committee (PESP) member (alternate). She has been the EMS coordinator for Maidstone Ambulance since 2001. She would like to bring a rural voice to Council and would like to become more involved in the organization.

Lindsay Holm

Lindsay Holm is an EMT firefighter with more than 19 years in the field. He graduated from SIAST in 1992 and then worked for Lloydminster Ambulance, the Bi-Provincial Upgrader and the Allan Potash Mine. He has been employed with the North Battleford Fire and Emergency Services since 200. He is a certified Level I Fire Services instructor, president of the local 1756 International Association of Firefighters and is a member of the North Battleford Safety Committee.
