

Approved exceptions to full labour mobility.

Applicants from the provinces indicated for each licence level will receive a Restricted Licence prohibiting practice in the identified areas until such time as they have successfully completed the required training modules. When evidence of training completion is provided to the College, a full licence will be issued. There is no fee for the Restricted Licence in this situation.

The following Table applies to an Emergency Medical Responder coming from one of the other Provinces to SK.

The Provinces of Ontario, Quebec, New Brunswick, Nova Scotia and PEI do not issue an Emergency Medical Responder license.
