

Tallrig International Inc. is currently seeking Registered EMRs, EMTs & OFAIII's for upcoming industrial medical standby; some sites are remote areas throughout Alberta & Saskatchewan and BC.

Staff are needed for casual positions throughout the summer months (casual) and winter (seasonal full time). Fulltime staff positions will be hired from the casual employees.

Tallrig International Inc. will have a mandatory orientation in Lloydminster that new/potential employees must attend for employment.

You will be required to operate company vehicles which include MTCs, Ambulances, ERUs and pick-ups to and from the job locations in various types of weather and terrain, and perform quality medic work for our privileged customers. You will be provided well-equipped, well-stocked and well-maintained units.

To qualify for any of the Ambulance standby work you must have a valid Alberta class 4 license

Qualifications:

- Registered EMRs & EMTs, certifications with ACP or SCP
- Level C CPR with AED
- OFA's with BC Endorsement
- Enform H2S Alive Certification
- PST (Petroleum Safety Training)
- WHMIS
- Class 5 Drivers License & Current Drivers Abstract
- Current RCMP Security Clearance including Vulnerable Sector
- Ability and willingness to work in a team environment
- Demonstrated ability of stretcher lifting capacity
- Must possess initiative, insight and the ability to be self-directed
- Above average interpersonal and critical thinking skills.

Day rates will be based on education, experience, and job requirements. Flexible schedules with regularly scheduled days off.

Tallrig International Inc. is dedicated to providing safety related services to clients with Integrity, Professionalism, and Continuous Improvement. Tallrig International Inc. is an Alberta based company incorporated in 2000 that specializes in several areas of safety and training. We conduct safety related services throughout Western Canada and have decided to extend into the medical services with a new division operated by a Operations Manager with 23 years experience on ambulance working municipally and in the Oil and Gas Industry.
