

Protocol Proposal - Notice of Intent

The College is tracking which protocols are being developed by members, to eliminate duplicate work and create opportunities for collaboration between members working on similar projects.

To have your protocol topic added to the list on the College website, complete this form and send to Jennifer Williams, Director of Professional Practice & Research at jen.williams@collegeofparamedics.sk.ca

Submitter's Name: _____

Address: _____

Phone number: _____ **Email address:** _____

Protocol Revision or Addition you are planning. There is no need for specifics, just the topic you are working on:

This notice will allow the College to post only the topic of the proposal you are developing. Your contact information will not be shared unless you agree to have it released, and it will never be posted on the website.

Do you permit SCoP to release your contact information, upon request, in order to work collaboratively with others on this project?

Yes No
