

Canora Ambulance Care has exciting opportunities for ACP, ICP, PCP, and EMR casual and full time positions.

In the full-time, or casual positions, your main responsibility will be to provide efficient and competent emergency and non-emergency medical assistance and treatment to a wide range of people.

On a daily basis, some of your specific responsibilities will include:

- Ensuring prompt, efficient and skilled care and treatment for all patients; and
- Maintaining the ambulance units, and medical kits, ensuring they are clean, functional, adequately stocked, easily accessible, and completion of all appropriate reports.

In order to be successful, you will have a registration with SCOP, along with highly developed clinical skills. You will be an exceptional communicator and have excellent problem solving skills which will enable you to resolve conflicts quickly while maintaining harmonious relationships on all work sites. You will naturally work well in a team, whole supporting and adhering to the corporate values and goals.

To apply, it is mandatory that you have the following qualifications:

- Meet Saskatchewan College of Paramedics (SCOP) registration requirements;
- Advanced Cardiac Life Support (ACLS) Provider for ACP; and
- Pediatric Advanced Life Support (PALS) Provider for ACP.

In addition, it would put you at a definite advantage if you have any of the following:

- Heart & Stroke Facilitator; and
- St. John Ambulance First Aid/CPR Facilitator.

Benefits:

- A company RRSP
- Great West Life
