

Saskatchewan Health Authority

The Saskatchewan Health Authority, St Joseph's Hospital in Gravelbourg is seeking a casual Emergency Medical Technician to provide Life Support Services. The EMT provides a variety of out-of-hospital and in-hospital services. Projecting a positive, caring image, he/she will provide the utmost in patient care, medical transportation, health promotion/injury prevention and daily duties. The EMT will provide these services under limited supervision, in accordance with designated medical control guidelines, policies and procedures. This position requires the ability to lift and move patients and equipment.

Required Qualifications

- Basic Life Support (BLS)
- CPR Level C certificate
- CPR/AED Provider Certification
- Clean Driver's Abstract
- Good Attendance Required. All qualified applicants are encouraged to apply. Attendance issues will be assessed during the interview process.
- International Trauma Life Support (ITLS) - Basic
- Registered or eligible for registration with the Saskatchewan College of Paramedics at the PCP/EMT level
- Valid Class 4 driver's license

Incentives

We offer competitive wages and extensive benefit coverage including dental, vision, prescription, group life insurance, disability insurance and employee pension plan. We also offer generous paid time off and a safe and supportive work environment.

"We welcome those individuals interested in making a difference."

Apply by February 28, 2019 quoting "GO-00556702 (SCP)"
