

**Start Date:** Spring 2020

**Position:** Full Time PCP and Casual PCP

## **Job Description**

Currently accepting applications, as per above, with practitioner responsibilities in accordance with current practice guidelines associated with Saskatchewan Health Protocols. Precise start date not known at this time, but forecasted for Spring of 2020. Start date may be negotiated. We are Looking for both full time as well as casual PCP's.

In addition to ensuring consistent and proficient utilization of medical and communications equipment; maintaining a positive, professional relationship with field personnel, administrative staff, associated law enforcement agencies, fire, and other medical personnel; individuals must also possess and demonstrate a positive leadership role within the profession and in the public arena.

The practitioner position encompasses a combination of regular worked hours, on call hours, shift/weekend differentials and overtime hours. Full time rotations currently consist of **5 days on followed by 5 days off**. Average starting salary as per Step 1 HSAS.

**Applicants must have valid Unrestricted PCP 2011 NOCP PCP license.**

Please fill out an [Application for Employment](#) which is located on our website. This completed application, along with a resume, can be emailed to [spwdbrems@sasktel.net](mailto:spwdbrems@sasktel.net). Only suitable applicants will be contacted for the hiring process.

We will be pursuing interviews within the next few months and if a suitable candidate is met, the start date can be negotiated to an earlier timeline if necessary.

If you have any questions regarding the process or position, please contact the Director of Operations, Devon Beauchesne, @ 883-2500 between the hours of 08:00 to 17:00 Monday to Friday.
