

**Start Date:** February 16, 2019

**Position:** Full Time PCP for Big River location

## **Job Description**

Currently accepting applications, as per above, for the Big River location within Spiritwood-Big River Ambulance. Practitioner responsibilities will be in accordance with current practice guidelines associated with Saskatchewan Health Protocols in providing BLS and/or ALS care.

In addition to ensuring consistent and proficient utilization of medical and communications equipment; maintaining a positive, professional relationship with field personnel, administrative staff, associated law enforcement agencies, fire, and other medical personnel; individuals must also possess and demonstrate a positive leadership role within the profession and in the public arena.

The practitioner position encompasses a combination of regular worked hours, on call hours, shift/weekend differentials and overtime hours, all within a set rotation of 5 days on/ 5 days off.

There is a great deal of diversification and opportunity in our ALS service to advance any level of practitioner certification. Spiritwood-Big River Ambulance Care offers many incentives like Group Medical Benefit programs which include Dental, Vision and other extended health benefits for individuals and families. Additional enticements include RRSP contributions and educational opportunities.

Only potential candidates will be contacted for the interview process. All applicants will either have a current unrestricted SCOP.

For any information regarding the application process, please contact Devon Beauchesne, Director of Operations, at 306-883-2500 between business hours of 8am to 5pm or via email at [spwdbrems@sasktel.net](mailto:spwdbrems@sasktel.net)

Any resumes can be emailed to the above address.
