

Firemaster Oilfield Services Inc is currently looking for PCP's in Southern SK...

Job Summary:

- Looking for team members to work on an ongoing project located south of Weyburn, SK to provide stand-by medical coverage for a large area where there are multiple Oil and Gas services working such as Drilling & Service rigs, Pipeline crews and Facilities.

Job Responsibilities:

- Take reasonable care to protect your health and safety and that of other workers by following Firemaster's safety policies & procedures, as well as the government and industry regulations.
- Drive company vehicles in a safe and responsible manner.
- Maintain vehicles in excellent working order and keep vehicles clean at all times.
- Be punctual.
- Perform duties in the shop and on location as required by Firemaster's policies & procedures.
- Display professional work habits in the shop and on location.
- Completion of daily paper work, such as vehicle Pre/Post Trip Inspections, Safety Meeting Checklists, Field Safety Reports and Personnel on Lease for head counts.

Qualifications:

- PCP Certificate of Training
- Registration in good standing with Saskatchewan College of Paramedics.
- Current HCP/CPR Certification.
- Current ITLS Certification.
- Valid Driver's License, minimum Class 5, would prefer Class 4, with no more than 3 demerits.
- Valid ticket for Energy Safety Canada H2S Alive.
- Common Safety Orientation certificate with Energy Safety Canada (available online).
- Confident in an emergency setting.
- Attention to detail when it comes to paperwork.
- Maintaining a clean and tidy work atmosphere.
- Excellent communication skills.
- Must be able to work alone with minimal supervision as well as part of a team.
- Must be mature and reliable.
- Industrial experience is an asset.

We offer:

- Competitive wages.
- Meal/Travel subsistence and lodging provided.
- Extensive orientation and mentoring program.
- Internal Training such as TDG, WHMIS, Fatigue Management Training and a Driver Program
-

If you are interested and qualified, please send us your resume along with a current (within the last 30 days) driver's abstract and a copy of all certificates to contact@firemaster.ca

Firemaster is a Drug-Free work place, we require pre-employment drug testing as well as random testing throughout the year.
