## **2020 RECRUITMENT**

CANADA SPORT MEDICS is hiring for the 2020 MOTOCROSS SEASON. We have over 150 motocross events on our schedule this year and are looking for:

Paramedics registered with the Saskatchewan College of Paramedics. Graduates eligible to apply for registration as PCP's or ACP'S with the Saskatchewan College of Paramedics. Paramedic Students enrolled in an approved PCP or ACP program. EMR certified Nurses and Firefighters.

We are seeking qualified, enthusiastic medics to work within the scope of an emergency medical responder for Motocross events across Ontario, Alberta and Saskatchewan. Successful candidates will be joining a team of highly skilled medics with plenty of experience dealing with trauma patients. As a member of Canada Sport Medics you will be responsible for responding to athletes and bystanders in the most extreme, high velocity, high impact sports, in extremely intense settings.

### **Those who make the Canada Sport Medics team will:**

- Conduct medical assessments and evaluations on injured athletes
- Provide patient care based on priority
- Make further treatment decisions and exercise sound judgment in high intensity, emergency situations
- Work alongside allied resources and provide assessment findings to responding Paramedic and Fire crews
- Be available to work weekends
- Complete Patient Care and Incident Reports
- Maintain trauma and equipment bags

### **Applicants must send the following:**

- Resume and Cover Letter
- Completed Application for Employment Form

Please send complete application packages via email to [info@canadasportmedics.ca](mailto:info@canadasportmedics.ca)

Application forms can be found on the careers page at:
